**JOEL GIAMBRA AND DEREK ROY
CELEBRATE THE GRAND OPENING OF
LAMPASSO-BEVILACQUA ORTHODONTICS.**

East Amherst – On June 27, 2007, Lampasso Bevilacqua Orthodontics (LBO) held its grand opening celebration. Located at 6501 Transit Road in the East Amherst Medical Park, LBO promises to be a major orthodontic center for the surrounding area. Erie County Executive Joel Giambra and Buffalo Sabre Derek Roy were both in attendance, as Giambra cut the ribbon to officially open the office.

LBO is devoted to personalized service and offers state-of-the-art technology, including low dose/digital x-rays in a brand new 5,000 sq. ft. paperless office. Led by board-certified orthodontists Judith Lampasso, D.D.S., M.S., Ph.D., and Ryann Bevilacqua D.D.S., M.S., LBO provides braces for adults and children, with free consultation and flexible payment plans.

For nearly two decades, Dr. Lampasso has been immersed in the world of dentistry. From studying at the University at Buffalo School of Dental Medicine, to teaching as an Assistant Professor at her alma mater, authoring countless articles in orthodontic journals, and running a successful private practice, Dr. Lampasso is well-versed in the field of orthodontics. Just as importantly, she knows how to give each patient the best possible experience, every time.

Dr. Bevilacqua received her B.S. from the University of Notre Dame while graduating first in her class from the University of Buffalo School of Dental Medicine and summa cum laude from UB's Orthodontic program. Dr. Bevilacqua believes that visiting the orthodontist's office should be a positive experience, and is committed to giving all of her patients the personal attention necessary to make them feel comfortable and welcomed.
